VOL. 12 NO. 2 WEDNESDAY, JANUARY 13, 1971.

Firemen were called to the Brudenry Inn shortly after eight o'clock this morning and clouds of smoke rapidly enveloped the hotel, a landmark of St. Albert. The gas heater for the hot water tank had gone out and a lot of gas escaped before the trouble was noted and the plumbers called in. It is believed that the gas was somehow ignited, starting the fire. The fire department was on the scene almost immediately and the fire was brought

under control by 11 o'clock. The major damage is to the upstairs suite and cafe area, and the extent of it has not yet been estimated. Manager Albert Hauptman and his staff were able to carry out cafe stock and a few of the smaller furnishings from the upstairs. Gazette phones were busy with callers enquiring about their "second home," "favorite pub" and similar comments. This section of the building looks reasonably intact.

P.C.'s Elect Officers

President Rene Kambour-off opened the annual meeting of St. Albert Provincial Conservative Association last night by calling upon Mr. Lou Hyndman M.L.A. of Edmonton Glenora, who had another commitment and had to leave early. Mr. Hyndman spoke on campaigning organization and ideas which had been most effective in his constituency. The popular Conservative member was warmly applauded by the audience.

Candidate Ernie Jam'son also spoke briefly before the president's report was given. Mr. Kambour-off reported that the very successful nomination convention in November drew a crowd of over 500 and stimulated an increase of membership from under 60 to just over 400.

He called upon Mr. Rod

Thronsdon to report for the nominating committee and conduct the election of officers. The following were elected: Rene Kambour-off, president; Bob Prather, first vice president; Stan Walker, second vice-president; Andy Kampen, third vice-president and Barbara Wheatley, secretary treasurer.

The number of directors was increased to 20: Neil Ross, William Flynn, Ray Gibbon, Edgar Belair, Clay Crozier, Don Speers, Bob Hudson, Ray Come, Joan Gates, Frank Comeau, Jean Ryley, Dave Ward, Paul Roppel, Dennis Devolder, William Devereux, Ian Skogstead, Gerry Hodgins, Stan Kolomyjec and Jim Speers. The meeting also adopted a new constitution for the association.

Former user to speak on drugs

Lyle Hamer, a confessed former drug addict who is now a hard and enthusiastic worker with TRUST in Edmonton will be the speaker at next Wednesday's meeting of the Leo Nickerson PTA.

many drugs before deciding they were on the wrong track, and who are now involved with TRUST.

Lyle has been in St. Albert before, speaking to students at Simpson Junior High, Mackenzie School and Paul Kane. He will be prepared to answer any and all questions from the audience.

The meeting is open to any persons interested, whether or not they are associated with the PTA. Young people are also welcome, with or without their parents.

Many enroll to stop smoking

The Five-Day Stop Smoking Plan which began in St. Albert Sunday evening, attracted the largest turnout ever, in 10 years that the clinics have been run in Alberta. One hundred and two people showed up at St. Alexander Mackenzie school, despite the bitterly cold weather, and 96 registered for the plan. Sixty pre-registrations had been received prior to Sunday.

Arrangements have already been made to run another course from March 7 to 11, and Mr. Clarence Grosso, who is in charge of administration and public relations, said Monday that courses will be run here as long as the public shows interest.

A very graphic movie on lung cancer opened the first night program, followed by

lectures by Dr. Steven Tar-angle and Mr. Harvey Johnson, a minister who is business manager of Tarangle Clinic in St. Albert. They spoke to the group on medical and physiological aspects of the plan.

Other people coming in to assist in conducting the program included Mr. H. Haghiesan, a group of young people from Coral Wood Academy in Edmonton, who will be here Thursday evening, and a nurse to help people with weight control problems.

If your neighbor is consuming prodigious amounts of fruit juices and water, doing deep-breathing exercises and taking more water than usual, he or she is likely on the way to kicking the smoking habit.

"TRUST" is made up of doctors and volunteer workers from many areas of society who are dedicated to helping people who have problems through drug use. Lyle is one of a number of young people who have used

Youville Sisters aid Guide program

More than 24 Girl Guides and Rangers have registered for the Junior Home Nursing Course by St. John Ambulance which begins this Saturday at the Youville Home. Anne Hegland, RN, will conduct the course, assisted by the sisters at the home, and district commissioner Pauline Vargoeis is organizer. The course will run four consecutive Saturdays with classes commencing at 1 p.m. Sisters at Youville Home have worked with the Girl

Guides in St. Albert for more than 10 years in their home nursing training and it is estimated that over 400 girls have taken this course at Youville Home. The sisters' time is given freely and facilities at the home are ideal for the purpose.

From the point of view of the girls, the course is often their first experience with this type of a home and the work of the sisters, which adds to the educational value of the course.

Around Town

For those snowmobile drivers who have been congratulating themselves on getting away with various infractions recently, a word of advice: The new RCMP machine which has been out of commission is now repaired and back on patrol. We have it on top authority from the head of the detachment that a fire started in the snowmobile while it was parked with nobody near it, badly damaging the interior.

Bruce Daley, second from left, as chairman of the St. Albert Kinsmen KINSTAKES project, asked Mayor Ray Gibbon to help him launch the program by buying the first ticket prior to Monday night's committee meeting of council, which he did. The councillors, being a bunch of good heads, each dug up \$2 for Bruce as well. The Association of Kinsmen Clubs of Alberta is sponsoring their own brand of sweepstakes and the stakes are high - \$50,000 will go to the lucky winner on May 28. And the proceeds will assist the Kinsmen with a lot of worthwhile community projects.

Coffee House News

The Coffeehouse will be open this Saturday from 7:30 - 11:30 and on Sunday from 7:30 - 10:30.

As usual, entertainment will be provided on Sunday night.

Roy LaFrance and Fred Caulkins have a good laugh at the expense of photographer Larry Mitchell, as they go through the motions after the event. A series of problems beset Larry trying to get this shot last week, so when he discovered both the fellows in the arena last night he was able to prove his heart is in the right place. Roy presented a cheque on behalf of the St. Albert Knights of Columbus to Fred, hockey co-ordinator for the Kinsmen minor hockey program.

Young travellers having a grand time

It is more than a year since two local girls, Linda Oimel and Janet Perron left St. Albert to see the world, and these resourceful young ladies don't expect to be back until Christmas time next year.

They travelled by boat to New Zealand last December and spent Christmas eve at a youth hostel where they met some University of Alberta students whom they knew. Janet and Linda were invited to have Christmas dinner with a Maori family and greatly enjoyed the barbecue misadventure native style outdoors. Later they visited a number of Maori villages, where they were given a warm welcome by the people.

Taking jobs as waitresses and chambermaids in resort hotels, they were able to support themselves and at the same time travel to points of interest throughout New Zealand.

At the end of February they left for Sydney, Australia, where they spent three months, this time working in offices. Then it was time to move again and they journeyed up the coast to the coral reef islands and resort areas. Here they got jobs with motels again and acted as hostesses on cruises through the reefs—sorts in glass-bottom boats used for tourists. Their job provided room and board and polynesian-style uniforms.

They wanted to see the aborigines in northern Australia, so it was off again, sometimes hitch-hiking and sometimes catching a train, with bedroll and knapsack for overnight camping at the hotels en route. This time the girls were joined by four other girls whom they had met at the reef islands.

They returned to southern Australia via the desert, stopping at Melbourne and back to Sydney. At Sydney they had a date to meet a ship. Some friends in the Australian navy, whom they had seen off to Viet Nam in the spring, were returning, including one Robert Mason, who has since become Linda's fiancé!

At present the girls are still in Sydney, working for the Honey-Well corporation there. Janet is also doing some weekend work in clubs.

In the spring they plan to go to Asia, including a visit to Singapore, and later in the year will make their way up through Europe to the Scandinavian countries before returning to Canada and St. Albert.

Linda will be married in December of 1971 and Janet will decide when she comes back whether or not to continue her studies. She has completed two years at the University of Alberta, but may decide on yet more travel. She would like to see Canada and perhaps the United States in the same way she has travelled in far away countries.

Around Town

Jan Maandag, town engineer, reports with satisfaction that during last week there were no infractions of the "No Burning" regulation at the town dump. This is the kind of co-operation from the public that makes an engineer happy, and also a lot of residents.

Tony Harvey has returned to Montreal after spending the Christmas holidays with his parents, Mr. and Mrs. Ronald H. Harvey in St. Albert. Tony attends McGill

University. He is a graduate student in English and is furthering his studies in Greek and Latin.

Lang - Jewett wedding

On Dec. 30 at the Good Shepherd Anglican Church, Mr. Ernest Ray Lang, son of Mrs. A. Anderson of Aldergrove, B.C. took for his bride Miss Donna Jean Jewett, daughter of Mr. and Mrs. Stan Jewett of St. Albert. The couple were united in marriage before an altar banked with beautifully colored carnations. Rev. J. C. Barford of Edmonton performed the double-ring ceremony.

Given in marriage by her father, the attractive bride chose a lovely high necked, empire waisted gown of white peau de sole and lace, gathered at the back to form a train. Her shoulder length veil was a misty cloud of sheer net, attached to a round lace covered headpiece. She carried a beautiful bouquet of pink roses.

Her matron of honor, Mrs. Ingrid Schultz, wore a sleeveless floor length gown of pink peau d'elegance, featuring elbow length white gloves and matching slippers. A bouquet of pink and white carnations completed her ensemble.

The groom was attended

by best man, Mr. Ferute Schultz of St. Albert. Usher was Donald Jewett, brother of the bride.

For her daughter's wedding Mrs. Jewett chose a brown ensemble of jacket and skirt and matching blouse complimented by a corsage of yellow sweetheart roses and brown accessories. The groom's mother wore a blue suit, complemented by a corsage of yellow sweetheart roses and black accessories.

The reception was held in the dining lounge of the Edmonton Inn. Mr. Lorne McKinstry, brother-in-law of the groom, presented the toast to the bride.

Mr. and Mrs. E. R. Lang will make their home in Edmonton.

Among out of town guests were Mr. and Mrs. Stuart Tetarank of Grande Prairie, relatives of the bride.

HOW TO STOP SMOKING by Limoges GAZETTE

Letters To The Editor

The Editor:

I was completely incensed when I saw the Limoges cartoon on page four of your January 6 edition.

Does your cartoonist, or do you as the person who has the final decision as to what is published in your paper still call Negroes niggers, Italians wops and Jews kikes, or have you simply singled out persons of the Japanese nationality to insult?

Surely, Sir, it should not be necessary to remind the editor of a responsible newspaper that persons throughout the world who are striving for a better world no longer refer to the Japanese people as Japs.

TRUE FACTS ABOUT ORGANIZED BANTAM HOCKEY IN ST. ALBERT

The Editor:

For whose benefit was this bantam group organized? Could it have been Mr. D. Millroy's - the coach of the Blackhawk team?

Fact No. 1 - All of last year's bantam teams except one - the Blackhawks, were disbanded.

Fact No. 2 - Parents were told by Mr. Caulkins (hockey

co-ordinator in St. Albert) that all teams were disbanded in order to reorganize teams of equal strength. This was supposed to be the fair way to treat all bantam hockey players; by making teams of about equal strength.

Fact No. 3 - The boys who wanted to play fair and give everyone an equal chance accepted the breakup of their teams and assignment to other teams.

Fact No. 4 - Mr. Caulkins did not tell the concerned parents (or players) that this meant all teams were to be disbanded except one - the Blackhawks.

Fact No. 5 - When team rosters were handed out it was discovered that Blackhaws was the only team not set-up according to this agreement. The people responsible - Mr. Caulkins and Mr. Millroy - were questioned about it by others. Nothing was done about it.

Question - Is this what being a good sport is all about Mr. Millroy and Mr. Caulkins?

As for the article in Jan. 6's Gazette about bantam hockey and how the victorious Blackhaws "scored eight quick goals and toyed with their opposition" perhaps the overwhelmed writer should have written a

Some education facts

Did you know ??? That in 1969-70:

*Alberta schools enrolled 413,719 pupils. Of these, 342,444 were in the public system and 71,275 were in the separate system.

*The average cost of educating each pupil was \$731.71. *Of the total enrollment, 51.75 per cent were boys and 48.25 per cent were girls.

*Alberta schools employed a total of 20,532 teachers. More than 9,000 of these had one or more degrees.

*The average teaching salary was \$6,703.

*764 teachers came from other parts of Canada to teach in Alberta. Most of these (478) came from Saskatchewan. Another 682 came from outside Canada, including 262 from the United Kingdom and 237 from the United States.

The Department of Education recently established a communications branch which makes available to the public information such as the above.

If you have a question about some aspect of education in Alberta, why not contact Dan Powers (information officer), Room 604, Administration Building, Edmonton, Phone -- 229-3437.

Newcomers

We welcome the following to St. Albert.

Mr. and Mrs. J. R. Gray and family; Mr. and Mrs. R. J. Perrott and family; Mr. and Mrs. W. G. Oakes and family; of Grandin Park. Mr. and Mrs. G. A. Piper and family; Mr. and Mrs. J. H. Marshall and family; Mr. and Mrs. P. Ullman; Mr. and Mrs. T. Ostry and family of Brasside.

Each transit of a ship through the lake-fed Panama Canal sends 52,000,000 gallons of fresh water into the sea -- enough to supply a city of 350,000 for a day.

What next? Panty hose for men

Maybe men are just thoroughly tired of seeing women make fashionable new fads out of garments that are traditionally masculine (like trousers, sports shirts and even denim jackets). Anyway, Rick Goodman of Toronto, proprietor of a three store group of women's hosiery shops called Crazylegs, stuck signs in his shop windows advertising pantyhose for men -- and sold all 80

pair (at \$7.95) the first day. Produced in the U.S. under the brand name Mani-Hose, the unmannish-sounding garments are (says Goodman) ideal for firemen, policemen, postmen, skiers and other outdoor hosiery because they're warmer than thermal underwear, sturdier than women's pantyhose and look better on the leg than long johns when the trousers ride up the calf.

Those Scots feed paper to cows

Farmers in Scotland have begun feeding their cattle on paper and first results indicate that this is more profitable than straw.

The paper, which consists of cellulose fibre and about five per cent kaolin, is a waste by-product from paper mills. Previously it was discharged into rivers as useless but scientists at the Rowett Research Institute at Aberdeen believe it can cut the cost per lb. weight gain in the later stages of beef fattening.

Results from one farm indicate that this aim may well be possible. In an eight-week period, 550 lb. steers fed two-thirds barley and one-third paper

put on weight at 2.6 lb. per day which was identical to that of similar steers fed a complete barley ration.

Moreover, they did so on a feed conversion of only 4.96 lb. of barley to one lb. of beef, compared with the 5.55 lb. to one for the animals on the all-barley ration.

Groundup ladybugs once were considered a remedy for tooth-aches, colic, and measles.

SENIOR BASKETBALL

Last Friday night St. Albert High senior basketball teams travelled to Concordia College. Our girls played a very good game and won by a score of 38 - 29. Our boys didn't fare so well as they lost to Concordia by a score of 70 - 46. Maybe if they pull up their socks we could pull a fast one and win sometime??

The senior B girls basketball team won their third game of the year against McNally High by a score of 36-16. Linda McGillis was high scorer with 11 points, Terry Bergvin scored 10 with Carmen Gibeau scoring eight, Denise Gravelle was the top rebounder with 16, Lorna McGillis had 11 rebounds.

"HEY YOU GUYS GET WITH IT"

If our Students Union can't think of any activities for us why don't we help them out by making a few suggestions. I am getting tired of not having anything interesting to write about. So let's get on the ball!!!!

Activities to date this school year have been: one dance, hosted four basketball games at Vital Grandin, and a Christmas program. Is this the best we can do?? Of course one good thing may come of this, we can use the spare time to study, study, study, and become known as SAHS (St. Albert High Studiers). Boy what a DRAG! What happened to our Western Day and all the rest that the Students Union did for this school last year and the year before that? Its our problem as well as the Students executive. How alive are we or how alive do we want to be?? If you have any suggestions please bring them to the Students Union meeting either Tuesday and, or Thursday CURLING

The results of last Wednesday's games were as follows:

Richard Hauptman thumped Peter Byl; Norman Roy edged Darrell Kramer; Marie Van Tighem humiliated

lated Ray Gauthier; Bill Witschen over powered Robert Letourneau; Mike Lyndon embarrassed Brian Kupsch; Julian Romanko beat Todd Cassidy.

After nine rounds the powerful but embarrassed staff rink is still the team to beat, but getting pressure from the Witschen and the Byl squad.

Because of the man's bonspiel this week the regular curling will be shortened by half hour. You will have to be off the ice at 5 p.m. Let's start all games at 3:30 sharp.

Our school was well represented in the city zone school boys playdowas held this past weekend. Our school rink of Peter Byl, Darrell Kramer, Bill Witschen and Norman Roy played

a total of three games defeating St. Joe's and losing to St. Frances and Bonnie Doon.

Around Town

Cameron Ross returned to London recently, after spending the Christmas holidays with his parents, Mr. and Mrs. Nell Ross. Cameron will continue his work with the Glynbourne Opera Company. Other visitors at the Ross household during the holiday were their daughter Ann and her husband, Capt. and Mrs. C. C. Smith, and their daughters, Heather and Maureen, and Capt. and Mrs. Richard Rimmer, formerly of Salisbury, England.

Morinville Memos

Congratulations to the Morinville Sports Association executive and arena management committee who succeeded in extending the Sturgeon Valley Senior Hockey "B" League to include Morinville and have some games being played on Morinville ice. The schedule is printed in this issue for the benefit of all interested district hockey fans on all senior games.

The members of the Morinville 4-H Cool Spoolers, leaders and friends attended the opening night of the Ice Capades in Edmonton. They travelled by chartered bus.

Mr. and Mrs. Tom Houle left last weekend for Edmonton where they attended the

1971 MacLeod's convention this week.

On the sick list this past week are Mrs. Emile Morin, Mrs. Norman Bussay, Mrs. Alice St. Germain, Denis Pasay, all recent patients in hospital.

Mr. and Mrs. Raoul Labonte welcome their first born, a son, Richard, on Christmas day. Godparents are Mr. and Mrs. Jim Otto of Edmonton, uncle and aunt of the infant.

Mr. and Mrs. Roger Champagne recently entertained at their home in honor of Mr. and Mrs. Ray Sitsen and Mr. and Mrs. Ross Yolland, fellow employees of Mrs. Champagne at the Mor-

inville Royal Bank who have been recently transferred. The farewell party featured a midnight smorgasbord for 22 guests. Mr. Camille Gregoire, manager of the Morinville bank, presented Mr. and Mrs. Sitsen with an electric clock. Mr. and Mrs. Yolland received a blue mountain table lighter with matching ash trays. Mr. Gregoire congratulated both men on their recent promotion to Edmonton and Calgary branches, and extended to both couples very best wishes on behalf of the entire Morinville bank staff.

The Morinville square dancing set has 28 enrolled dancers meeting every week at the International Building for an evening of real family fun.

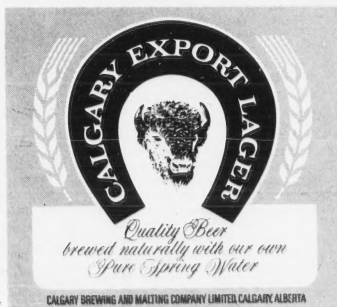

Mr. and Mrs. Justin Hughes and family recently moved to Edmonton.

"Good enough" malt just isn't good enough for Calgary Export Lager Beer. So our brewmaster, who loves his beer, selects his barley malts with the devoted care of a true connoisseur. Are they properly crisp yet tender? Have they the right, slightly mellow flavour? Our brewmaster won't take no for an answer. He won't compromise on the ingredients that go into his

beer, so you won't have to compromise on the flavour that pours out of every bottle of Calgary Export Lager. It's good. Always good. Because we're not satisfied with just "good enough".

Below, Brewmaster A. J. Kerr and Assistant Brewer R. Piesanen visually inspect malting barley before lab quality tests begin.

Ladislav: Flalka has enchanted audiences all over the world with his superb mime performances. He will appear with his company of Czech players in Edmonton, Jan. 19 at the Jubilee Auditorium.

Music and Mime next week

The DuMaurier series of pop concerts begins next Wednesday at the Jubilee Auditorium when Edmonton director Ted Kardash presents a program moving

from the classics to music from the Broadway shows. Guitarist Chris Jordan will perform with the orchestra as well. Theatre fans will be in-

terested in Tuesday night's show, a one-nighter at the Auditorium called Theatre on the Balustrade, and featuring the famed Ladislav Flalka and his company of Czech mime-players.

PUBLIC SKATING IN ARENA

The public skating sessions in the arena are as follows:

Tuesdays and Thursdays
4 - 5:30 p.m. — Wednesdays
6:30 - 8 p.m. — Saturday,
7 - 9 p.m. and Sundays
2:30 - 4:30 p.m.

A special session for mothers and pre-schoolers will be held on Wednesday mornings from 10 - 11 a.m. The schedule is subject to adjustment depending on the response to the different sessions. It is hoped that people who want to skate indoors will find at least some of the times convenient.

FIGURE SKATING

Lists of the members of the different figure skating classes are being posted at the arena and should be consulted if there are any doubts of times and duration.

There are still a few openings in the dance lessons which are held on Mondays from 7 - 8 p.m. The cost is

Around Town

Mr. and Mrs. Gene Perron were happy to have their daughter Elaine and her husband, Mr. and Mrs. James Twizell of Montreal, and granddaughter Jill, home for the Christmas holiday season. They left for Montreal last Thursday after a three week visit. Their other daughter, Janet, telephoned on Boxing Day from Sydney, Australia, and was able to speak to Elaine along with brothers Paul, Fleury and her parents.

Ernie (otherwise PC) Jamison skipped his newsmen rink of some year's standing to victory in the fourth event, bringing home the same trophy by Carlings that the same foursome won last year in the annual News-men's Bonspiel. With him were weekly publishers Wilf Horton of Vegreville, Doug Caston of Edson and Ron Hayter of Edmonton. This year's event was held at Banff over last weekend.

Those people who don't really enjoy the cold weather will appreciate the efforts of parents like Mr. and Mrs. Larry Kennedy who spent most of Saturday working as starter and gate-keeper at the ski meet held Saturday at Rabbit Hill, in which their son was entered. A great many people in St. Albert work with our youngsters in a wide range of activities and without them our recreation programs wouldn't be up to much.

Engagement

Mr. and Mrs. Simon Outmost of R.R. #1 St. Albert, announce the engagement of their daughter, Linda Margaret, to Robert Thomas Mason, of Hobart City, Tasmania, Australia. The wedding is planned for next December, when Mr. Mason will have leave from the Australian navy to come to St. Albert.

vides an excellent opportunity for ladies to get out and meet people. The cost is \$10.50 for the program which carries on till towards the end of March.

YOGA

Yoga, which was introduced to St. Albert before Christmas will continue but on a different night and in a different location. The next 10-week course will start Thursday, Jan. 14 at 8:15 p.m. in Sir Alexander MacKenzie school.

Mrs. Frieda Khattab, the instructor, will welcome both old and new members to the class. For information, please phone Mrs. Betty Daley at 599-3937.

SQUARE DANCING

The St. Albert Saints and Sinners will hold their next dance on Saturday, Jan. 16 at 8:30 p.m. in Sir Alexander MacKenzie school.

GOLF

The annual golf school will be held in March. Watch for further announcements.

Town of St. Albert

Notice of Public Hearing

The council of the town of St. Albert having been given authority under Section 119 of the Planning Act, 1963, as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to rezone that area shown on the map i.e. Lot 40, Block 11, Plan 1169 M.C. presently zoned RESIDENTIAL COMPREHENSIVE (RX) to COMMERCIAL CLASS 3 (C3) to accommodate a service station.

The proposed Bylaw No. 1/71 may be examined between the hours of 9 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The public hearing will be held in the Council Chambers on the 1st day of February 1971 at 9:30 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the 28th day of January 1971. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

D. B. O'Connell,
Secretary-Treasurer.

Kooky styles are not new

If you think some of today's fashions are a bit kooky, listen to some of these gems reported in Style, the Canadian woman's wear newspaper:

"Underpants were worn only by 'kiss women' until 1840, for to don them was to make the indecent acknowledgement that one had legs.

"To make their filmy dress fabrics cling, women often sprinkled water over them, and sometimes came down with pneumonia.

"Large bonnets were worn on Sunday because it was considered indecent for a woman to show her profile in church.

"In bygone days, girls over 14 if they were engaged to be married were never supposed to wear pink. And women seldom wore white to their weddings, since in most cases the bridal dress was the only good outfit a woman might have for the whole of her adult life.

No. 1 hard

How homespun can you get? The Financial Post reports that Central Canadian Distillers Corp., newly established at Weyburn, Sask., is appealing to the prairie farmers' local pride with a new product named after the high grade of wheat from which it will presumably be made (even though it's the same sort of firewater most of us refer to as "rye"). The name? "No. 1 Hard Canadian Whisky." And, as the wags are already observing, farmers may just go for that brand on the grounds that if they can't sell their grain, at least they can drink some of it.

Waddle they do now? It certainly is lousy webber! Feather or not they catch a cold, they should see a quack doctor - even if he does have a face like Drake-ula. Chances are, these two get top billing in your humour pictorial!

Too bad!

A soldier on leave during World War II just dreamed the thought of going back. On the last day, as he entered the station, he noticed an old lady crying bitterly. She was trying to reach her sick daughter and all the trains were booked full.

This soldier knew an opportunity when he saw one. "Here, Madam," he said,

"You may have my ticket." She thanked him profusely and he headed for the nearest telegraph office to wire his C. O. The wire read, "Unable to terminate leave. Stop. Have given berth to old lady in train."

Back came the reply, "Congratulations. Stop. Your next confinement will be in barracks."

Even without the million or more foreign visitors expected for Expo '70, Osaka would be crowded. Japan's second-largest city has 3,150,000 inhabitants and space is so valuable that land in parts of Osaka sells for nearly \$600 a square yard, National Geographic says.

Preacher: "That's a rather odd request for a prayer, Brother John. I have never before been asked to pray for floating kidneys."

John: "I don't see anything odd about it. Last Sunday you prayed for all those loose livers."

They were holding an all-night party in a hotel room. As the party progressed, so did the sound of revelry. Finally, at 3 a.m., a weary guest in an adjoining room started to pound on the wall. "Well!" shouted one of the merry-makers indignantly, "this is a hell of a time to be hanging pictures!"

An avalanche, hurtling down a mountainside at speeds that can exceed 250 miles an hour, pushes a wall of pressurized air before it. The air pressure has blown railroad cars off their tracks, while the vacuum in an avalanche's wake has pulled people out of their houses.

After a lengthy conference with the estranged husband, the lawyer reported to his client: "Mrs. Blake, I have succeeded in making a settlement with your husband that is eminently fair to

As I See It

By Rose Martel

Do you rate yourself as a good listener? Do you always meet every situation or challenge with an open mind? How fair are you? Or better yet, how just are you?

Are you ready to admit that you may be wrong and others are right? We adults, as parents, teachers, professors, clergymen, or club leaders, are very eloquent, when we wish to put a point across, or make a pitch for some cause.

What about our children's point of view? How much time are we willing to allow our children to express themselves. How interested are we in their little world. How often do we take time to hear them out, when they try to communicate with us about their problems.

Then there are the elderly individuals, that the world seem to pass by. They need

somebody to share their concerns, they need friendships of others, not only in time of sickness or tragedy, it is so little to ask to help brighten their lives.

You may not be of the same opinion as they, their company may not be a stepping stone up the social ladder, or improve your bank account. But if you are willing to listen, just listen during a short visit, you may well learn something, that life and living has taught them. Try it sometimes try to learn how to listen, to whatever they try to tell you, be they children or elderly people.

The way I see it - to be a good listener, requires genuine interest in and concern for your fellowman. It also requires patience, tolerance and much understanding with an open mind. What a beautiful combination

Phillip Lavallee, son of Paul and Edna Lavalles is recovering from a short stay in hospital where he underwent minor surgery.

Mr. and Mrs. John Saunders flew to Port Alberni on Dec. 25 to visit Mrs. Saunders two sisters and their families, Mr. and Mrs. Oscar Blais and Mr. and Mrs. Bill Wood. Mrs. (Beatrice) Blais spent Christmas at home after undergoing surgery two weeks earlier. Mr. and Mrs. Saunders arrived home in time to "see in" the new year.

tion of virtues to acquire and live by. It takes time to listen. It takes time to appreciate and share the thoughts, the needs, big and small, of young or old people in our neighborhood, our parish or village. There would be far less family crisis, family break-up, emotionally disturbed children and individuals, if there were more and better listeners in homes, churches, schools, and other groups interested in human values.

Today, we are told by experts that one out of every five children is emotionally unbalanced. The rate of suicides, and suicide attempts among high school students, college and university students, is becoming alarming. There are many lonely aged people who are suffering great emotional stress fears, and disturbance, because they are made social outcasts, along with young children, in their own family or community, because no one has time to listen to them or share their concerns.

If no other resolutions are kept this year, let each one pledge individually to learn and cultivate how to become a good listener. How to hear and accept other voices and respect and consider other peoples points of view. Then maybe, just maybe, the first step to peace, will be closer, through people learning to become a good listener and practicing tolerance.

Morinville Locals

Last week Morinville Seniors beat St. Albert 5 - 3, and the Little Shavers, won against Legal in Legal last Saturday. The midlets won over Bon Accord.

On Jan. 14 two important meetings will be held the same evening. The Morinville Mother's Local will hold a registration meeting for the St. John Ambulance First Aid Course for adults 16 years and over. The cost of registration for the 10 week course is \$10. The meeting will take place in the Morinville Recreation Centre at 8 p.m. For more information contact Mrs. Robert Anderson at 256-3280.

Perras-Mercier wedding

Miss Lorraine Mercier, daughter of Mr. and Mrs. Leo Mercier of Morinville and Mr. Leonard Perras, son of Mr. and Mrs. Robert Perras of Chilliwack, B.C., were united in marriage in a lovely candlelight evening church wedding, performed by Rev. G. H. Primeau, pastor in St. John the Baptist Roman Catholic church in Morinville recently.

Given in marriage by her father, the radiant bride chose a white lace formal pant suit, a short net veil, held in place by a coronet of white buds. She carried a single long stemmed red rose in full bloom in a nest of fern.

Her two attendants, Miss Colleen Kremor, of Edmonton, cousin of the bride, and Miss Alice Pellerier of Morinville, both chose identical formal pant suits of mist green embroidered nylon. Their accessories were silver and each carried a single long stemmed yellow rose in a nest of fern.

The best man was Mr. Robert Perras, brother of the groom, and the other groom attendant was Mr. Ron Cherdarchuk, both of Morinville.

During the church ceremony Mr. Normand Chalfoux was organist and Mr. Georges Lavallee was soloist.

A reception for some 175

guests was later held in the Morinville Recreation Centre, followed by a midnight supper. Mr. Matt Teller, cousin of the bride and master of ceremonies.

For her daughter's waiting Mrs. Mercier chose a purple velvet dress, silver accessories, and white roses encourage.

Mrs. Perras wore a beige double knit dress, brown accessories and white roses encourage.

For her wedding trip to Jasper the bride changed into a two piece beige and brown ensemble with brown accessories.

Mr. and Mrs. Leonard Perras will make their home in Morinville.

Morinville seeks resident Doctor

The first 1971 Morinville Board of Trade supper meeting was held on Jan. 5 with president Lou Calder chairing the meeting. Also present were Mr. Keith Everitt MLA and Mayor Arthur Stapleton, and 16 members present.

Mr. Everitt requested that the Morinville Board of Trade give consideration and support for the levy of an industrial tax by the provincial government, to be distributed throughout Alberta on an approved assessment formula, to relieve burden on property tax.

Mayor Art Stapleton spoke briefly and gave further information on the need and estimated cost of having fluoride added to the town water supply as recommended by the Sturgeon Health Unit.

Mr. Don Foud gave a progressive report on a survey of Morinville as being prepared for the Publicity Bureau of Alberta. The Morinville Board of Trade expressed real concern for the lack of a local resident doctor since December 31 with the retirement of Dr. George Clark.

Mayor Stapleton also voiced his concern and stated that all help or suggestions would be more than welcomed by any individual or board of trade members to help solve this local pressing problem.

Norman Chalfoux and Romeo Boissonault volunteered to serve as a committee to help work with the Morinville town council, to advertise and negotiate for the establishment of a new resident doctor or medical clinic in Morinville. The next meeting will be held on Feb. 2 with President Lou Calder as convener.

Said the doctor at a party, writing a prescription for a fellow guest: "If this doesn't help, here's the name of a specialist. He'll be at the Fergusons' party Friday."

Tourist: "I got up at dawn to see the sunrise." Second tourist: "Well, you couldn't have picked a better time."

Mr. and Mrs. Alphonse Constantin with their fine family of five sons and seven daughters gathered 'round on the occasion of their 40th wedding anniversary. Seated with their dad and mother are Denise Constantin, left and Stella at right. Standing from left are Edmond, Denis (twin of Denise), Theresa (Mrs. Robert Iseke), Alcide, Anita, (Mrs. Tony Lutz); Raymond, Marguerite (Mrs. Ernest Berube), Oscar, Jeanne (Mrs. Robert Belanger) and Evelyn (Mrs. Joe Lutz).

Constantins celebrate 40th Anniversary

Mr. and Mrs. Alphonse Constantin, formerly of Villeneuve and now living in Edmonton, celebrated their 40th wedding anniversary on Jan. 7. An anniversary mass was celebrated at St. Plus X church, with Rev. Father Albert Laisnez officiating.

A social evening followed in the parish hall, arranged by the couple's family, with Mr. Robert Iseke acting as master of ceremonies. Entertainment in the form of

tap dancing, instrumental numbers, singing, recitations and a skit, involved most of the children and grandchildren, and was most appropriate for this happy occasion.

Mr. George Soetaert and Mr. Walter Boddez each contributed a song number for the program as well. Mr. Aurele Durocher had some well-selected words for his long-time neighbors.

A midnight supper was served, followed by the cut-

ting of the cake by Mr. and Mrs. Constantin. Rev. Father Laisnez then said a few words and had some Scottish songs for the honored couple and their guests.

Mr. Edmond Savole, on behalf of those present, presented a purse to the wedding couple, and Mr. Edward Constantin presented his parents with a photo album already filled with photos of their children and grandchildren, on behalf of the family.

For the evening Mrs. Constantin looked charming in her ruby-wine frock dress, complemented by a corsage of yellow roses, while Mr. Constantin wore a corsage of white carnations.

Mr. and Mrs. Constantin (formerly Miss Exilda Belanger of Villeneuve) settled on the farm of Arthur Comeau in 1931 and made their home there until 1968, when they moved to Edmonton. Mr. Constantin retired in 1959.

The Gibbons 4-H Light Horse Club held its Christmas party on Dec. 19, 1970 at 7:30 p.m. at the home of Mr. and Mrs. W. McCrimmon.

Around Sturgeon

Members of the Camilla Clothing Club held their Christmas party at the home of Mrs. Shashan on Dec. 19. Each member invited a friend and an enjoyable evening of games and dancing was topped with a delicious lunch.

mon. The evening activities included: games for young and old, exchange of gifts and lunch consisting of 'sloppy joes' and Christmas puddies. Two surprise parcels - donated by one of the members - were won by Marilyn McCrimmon and Ron Kish.

Club members wish to thank Mr. and Mrs. McCrimmon for being hosts to this event.

A note to members - the first meeting of the new year will be held Jan. 14 in the Gibbons Sunday School. See you there.

SHAVER "A"

Brontos and Colts played to a 1-1 tie with T. Parayko scoring for the Broncos and K. Jackson for Colts.

Parayko scored twice as Broncos defeated the Bears 3-0.

K of C shut-out Cubs 2-0 and Wolves defeated the Cougars 4-0.

SHAVER "B"

The first official game in the Shaver B league was played last Saturday in the arena with the Badgers scoring a narrow 4-3 win over the Beavers.

This league is for 5-6 year olds and is primarily for teaching the youngsters fundamentals of the game.

MITES

Spurs and Rockets tied 1-1 with Tim Shipanoff counting for the Rockets and K. McDonald for the Spurs. Eagles scored three straight goals to defeat the Rangers 3-1. C. Tooth, R. Tooth and Jackson potted singles for the winners while G. Gordon scored the lone Ranger goal.

Larry Sander had a hat trick to lead the K of C to a 7-2 win over the Warriors.

Bernie Joyal scored two goals as the Flyers shut out

the Quakers 3-0. Joyal has now scored 12 goals in four games.

BERNIE JOYAL

PEE WEE

Loshak scored three goals to lead the Legion to a 10-2 win over the K of C squad. Oilers defeated the Red Wings 5-1.

Barons upset the Monarchs 3-0.

Blake Millroy scored two of the Fire Department's five goals as they defeated the Lions 5-1. G. MacRae, R. Vachon and J. Gilbert added singles for the winners while Trev Parayko scored for the Lions.

Warriors downed the Kings 4-1 with Dean Roy, B. Harris, D. Bodney and D. Roy scoring. R. Olsen counted the Kings only goal.

BANTAMS

Dean Connle scored two goals to lead the Seals to a upset 4-2 win over the Blackhawks. Dean Hunt and Gary Muzichuk added singles while Terry Kleser and John Koch scored for the Blackhawks.

Canadians scored a narrow 4-3 win over the Safe-way Maple Leafs with Claude Regimbald scoring twice for the winners. Roy Gosse and K. Lahmair added singles with L. Moore, G. Thibart and T. Nielsen counting for the Maple Leafs.

MIDGET

Doug Walin scored twice including the winner as the Wildcats scored a close 3-2 win over the Bruins. Dennis Boudreau scored the Wildcats other goal.

On Jan. 10 the Wildcats travelled to Fort Saskatchewan and were upset 1-0 on a goal by L. Hennig late in the second period.

DOUG WALIN

JUVENILE

J. Klitch scored at the 14 minute mark of the second period to lead the Ardrossan club to a 1-0 win over St. Albert.

A group of happy Comets relax in the dressing room after defeating the Barons in their first game on home ice last Friday night. O'Neill Chevallier, left, Steve Lynes with his arm around Bernie Alain, who is doing some fine work in the nets, and coach Ron Yanosik warning Richie Perrault that there is a photographer present.

Capacity crowd see Comets win two on home ice

Playing before sell-out crowds the St. Albert Comets took to the new arena like ducks to water as they scored two impressive wins last Friday and Sunday.

In Friday's game the Comets scored a strong 5-2 win over the Sherwood Park Barons who had earlier in the season taken two from the Comets.

Defenceman Steve Lynes scored an unassisted goal at the 15.34 mark of the first period to give the Comets the lead they never gave up.

Captain Fred Hassie scored with Rich Perrault assisting early in the second to increase their lead 2-0. Shortly after the third period started, Perrault blasted a shot from about 20 feet out that the Barons' goalie didn't even see and the Comets led 3-0. Jim Read scored 30 seconds later to give the Comets a commanding 4-0 lead.

Barons managed to score twice late in the period but could not catch the Comets as O'Neill Chevallier counted St. Albert's fifth goal with Perrault assisting.

Richie Perrault was named the game's most valuable player with one goal and two assists.

On Sunday, Edmonton Nut and Bolts came into St. Albert less than two hours after handing Stony Plain Eagles their first loss of the year.

The Nut and Bolt squad opened the scoring at the 5.08 mark of the first period on a goal by Del Roberge to take a 1-0 lead. Doug Knisely with the first of two goals scored at 12.53 of the opening period to tie the game. Knisely got his second goal at 2.43 of the second to put the Comets on top 2-1 but Wayne Hunter tied it up at the 6.28 mark of the second period.

Rick Pugliese tipped in a point shot from Steve Lynes 11 seconds later to put the Comets on top 3-2.

Nut and Bolts came back strong with three quick goals to take a commanding 5-3 lead. Fred Hassie scored for the Comets with less than a minute left to play

in the second to reduce the lead 5-4.

Gary Ryan scored with just 20 seconds gone in the third period, while playing short handed and gave the visitors a two goal lead again. Al Laplante scored nine seconds later with Jim Read assisting to again narrow the Nut and Bolt lead to one goal. Less than a minute later Jim Read scored the first of three goals with Joe Cassidy and Laplante setting him up to tie the score 6-6.

Hard working Terry Dube put the Comets ahead 7-6 at the 1.50 mark of the third. Read scored his second goal unassisted five minutes later and this also proved to be the winner.

Nut and Bolts were obviously tired in the third and Read completed his hat

trick with a little more than two minutes to go in the third for a final 9-7 win.

Jim Read was voted the outstanding Comet player with three goals and one assist. He has now scored 17 goals and six assists to lead the Comets scoring.

Once again young Bernie Alain played a strong game in goal and came through with two fine stops on break aways in the latter part of the third period.

The addition of Frank Joyal to the Comets will certainly help and with a couple of practices he should be in good playing condition.

Friday sees the Spruce Grove Mercuries taking on the Comets in the arena at 8:30 p.m. and on Sunday the Comets play host to the Ray's Esso team at 8:30 p.m.

Kryskow going strong with Oil Kings

by Rose Martel

Dave Kryskow, 19, Edmonton Oil Kings hockey star, is a Morinville product, son of Mr. and Mrs. Ed Kryskow. The wirey, six foot, 170 pound left winger is among the top scorers with 25 goals and 17 assists to his credit at the end of December. He is playing in his second year with the highly rated Kings.

Dave's hockey career began in Morinville when his family moved from the farm 10 years ago. At the age of 12 he joined the Morinville Midgets under coach Zed Storey and his first position was centre. Later he also was centre for the Morinville Juveniles and again his coach was Zed Storey.

He played one year with the Morinville Seals on left wing with Raymond McDonald as coach. He soon attracted the eye of hockey scouts as a fast and good

skater, with an aggressive style of play.

His first season away from home was with the Western Movers, in the Alberta Junior League, while still attending school. He then joined the Oil Kings in Edmonton.

DAVE KRYSKOW

Between December 1969, and the spring of 1970, Dave played with the Saskatoon Blades on left wing. Last fall he returned to the Oil Kings and proved one of the top scorers, with his scoring and fast checking ability.

After leaving Morinville high school Dave continued his schooling at East Glenn, Edmonton and Paul Kane in St. Albert, graduating with the Georges Vanier High school class of 1970. Dave is employed at Crostowa Motors, Edmonton in their car maintenance department.

In a personal interview with the young star, while he visited his hometown and family during the Christmas holidays, Dave stated that he would like to make professional hockey his career, if he can join an NHL team. "I am 19 years old," said Dave "and I have reached the NHL hockey draft age. I may be called to attend an NHL camp next fall."

Asked what NHL club he would prefer, given a choice, Dave stated that he would choose the California Golden Bears, because he would have a better professional chance with them to begin with.

Gordie Howe rates as the best professional hockey player in the NHL according to Dave, and Eddie Geacomini of the New York Rangers as the best goalie. Dave prefers left wing over any other position because he shoots left.

When asked what advice he would suggest for Morinville, and other points in the district, to cultivate successful amateur hockey, Dave did not hesitate. "Lack of minor hockey development, among the beginners is responsible for the lack of senior players today. Every beginner in minor hockey must learn to skate, skate well and fast. More emphasis on skating ability, more ability to pass and score, and better general behavior in hockey, is needed. Shooting ability is nil if a boy is unable to pass and shoot at the same time," concluded the young versatile athlete.

What is the daily schedule for a professional junior player?

Generally, a general shooting practice for at least three quarters of an hour. This is followed by a rush working practice. Occasionally a scrimmage session is held, but always the emphasis is on shooting ability, repeated Dave. There is a standing rule of bedtime before 11 p.m. the night before a game. On the day of a game, breakfast at 8 a.m., lunch at 12 noon, then the usual fare is an eight ounce rare steak with vegetables, about six hours before the game. Another full meal is always served after the game.

Other hockey players from the district who have made the city leagues included Roger Bourbonnais of Legal, Wilfrid Cervato, the late Paul Steffes, Ernest Meunier, Albert Ropel, Gustave Meunier, Tony Krauskopf and Moon McDonald.

Bonspiel finals go Sunday

The Curling Rink is going full tilt with the annual men's bonspiel in progress this week. The event attracted over 100 entries, with the first 64 rinks being accepted.

This evening's play will complete eight draws, leaving three on Thursday, three on Friday, all day Saturday and all day Sunday. Spectators are welcome and assured of some good matches. Finals will be played Sunday evening at 8:30.

That's when the pressure will be on eight rinks who will be going after the trophies in the top four events, sponsored by the Bruin Inn, Gateway Building Supply, Jim Byrne Men's Wear and Kellogg Realty. Reigning champs for this bonspiel are Kirt Schindlinger's four-some.

A kind of rink not found at too many bonspiels is the Cameron Lyle rink with deaf mute curlers. Lyle and his rink are all on staff at the hospital.

Visiting curlers as well as local fans are commenting favorably on the improved furnishings and facilities in the Friendly Giant lounge, a significant improvement at the rink over the past year.

Legion Auxiliary reminder

Members of the Ladies Auxiliary, Royal Canadian Legion are reminded that there will be a joint installation of officers for the auxiliary and the St. Albert branch Legion on Saturday, Jan. 16 at 8 p.m. in St. Albert Community Hall. The auxiliary would like to see all the members attend and add to the success of the evening.

Goings on at Paul Kane

By Holly Hill

CURLING

A new curling season started on Jan. 7 for Paul Kane's Curling Club.

Due to lack of interest most teams had to be rearranged. If any of the students want to curl, they'll be welcome to join the club.

Because of the fact that seven teams would have resulted in a bye each week, the teachers team had to be dropped.

The point system remains the same, two point-win, one point-tie, 0 loss. The standings after the first draw are: Terry Mitchell 2, Ken Love 2, Lane Bryant 2, Walter Kwak, Norman Hill and Doug Barker all have 0.

BASKETBALL

The weather defeated Paul Kane Friday, the game at Athabasca was called off because of icy roads and snow. It has been postponed to Friday, Jan. 29.

Sunday afternoon Paul Kane's boys team tried their hardest (by tripping, hitting,

trampling and generally fowling things up anyway they could to defeat the teachers. Alas, it was all in vain, the teachers triumphed 31 to 16!

Wednesday night Paul Kane will host Westlock. The game had originally been scheduled for Dec. 11 but postponed because of the weather.

With any luck the weather will hold out and we will get to play.

YEARBOOKS

The 1939-70 yearbook came later than scheduled, but just in time to make a Friday afternoon liveable.

At noon the students crowded into the foyer to get their copies. For the rest of the afternoon the teachers let their classes have some time to collect autographs and remember some of the good times from last year.

Local boy wins ski trophy

Robbie Russell, 14 year old son of Robert and Jeanne Russell of Glenmore Crescent, placed second in his slalom event of a meet held Saturday at Rabbit Hill, and was awarded a handsome trophy for his fine performance.

The Alpina Division, Canadian Amateur Ski Association, sponsored the meet for skiers from Red Deer north. Bad icing conditions on the Rabbit Hill run gave the competitors a rough time. The meet attracted 79 entries, 20 of them girls.

Robbie's brother David (13) and Billy Kennedy (12) of 14 Grosvenor Blvd., also took part in the meet, and the three boys have been named to the team from Edmonton Ski Club who will take part in the January 30 meet at Lake Louise.

Gerry Hood of St. Albert is one of the coaches.

Eleven year old Resa Russell, not to be outdone by her brothers, is taking first year under the Nancy Green program with the Edmonton Ski Club this season.

Some reason for optimism

To shake off the disappointments of 1970 and launch the New Year with proper optimism, consider this forecast: 1971 will bring the largest advance in the volume of economic activity since 1966.

The forecast was made by a high-powered group of economists working with computers and econometric models at the University of Toronto's Institute for Policy Analysis.

After a good record for accuracy in 1970, they now predict a six per cent real rise in 1971 - more than twice the rate of increase during the past 12 months.

Among the bright expectations, the Financial Post points out that consumer spending, propelled by a 20 per cent advance in outlays for durables such as cars, will go up 10 per cent in 1971 as against a five per

cent rise in 1970.

Expenditures on new housing, down seven per cent in 1970, should increase nearly 18 per cent in 1971. Exports, with a record 12 per cent jump in 1970, may well crown this by a further 10 per cent increase.

Outlays by business on new plant and equipment could rise eight per cent - nine per cent, vs 1970's fractional decline.

Qualifying the optimism however, the Institute forecasts that the present high level of unemployment in Canada may not drop. Despite the faster pace of activity, The Financial Post comments, the proportion of jobless in the work force may stick around the six per cent mark. In the early stages of a recovery, experience shows, sales are usually expanded without large additions to staff.
